SCHOOL PROGRAMS COME WITH A BONUS TEACHER MANUAL ON CD-ROM*

Our Teacher Manuals have these Key Features:

- ◆ Companion lesson plans.
- ◆ “Getting Started” lesson on how to use the software with specific navigation instructions and ideas to optimize multimedia learning.
- ◆ Pages of work sheets, tests and homework assignments.
- ◆ Research projects for individual study.
- ◆ Printable handouts with games, puzzles, activities and classroom discussion points.

USER-FRIENDLY AND CONVERSATIONAL!

From SPORTS MATH series:
Fractions Made Easy:

“The National Assessment of Educational Progress (NAEP) reported: 50% of 8 & 9 year olds FAILED to correctly compute: $1000 - 999 = \underline{\quad}$.

There are countless things in our world that can only be described in the language of mathematics. Imagine trying to describe how the earth orbits the sun, using only words, with enough precision to launch a satellite.”
